Hodočasnički blagoslov na Putu sv. Jakova

Bože, koji si doveo svoga slugu Abrahama iz zemlje Kaldejaca, štiteći ga u svim njegovim putovanjima, i koji si vodio Izraelski narod kroz pustinju, molimo te čuvaj nas, tvoje sluge, koje iz ljubavi imena tvojega, hodočaste Putem svetog Jakova.

Budi nam pratitelj na Putu, naš vodič na raskrižjima, predah kad se umorimo, naša zaštita u opasnosti, naš dom na Putu, naša sjena u vrućini, naše svjetlo u tami, utjeha u našoj obeshrabrenosti i snaga u našim nakanama.

Daj nam da s tobom vođeni, sigurno stignemo na kraj našega hodočašća, i da se obogaćeni milošću i krijepošću, sigurno vratimo našim domovima, ispunjeni radošću.

Po Kristu Gospodinu našem, amen.

*Sveti Jakove, moli za nas,
Sveta Marijo, moli za nas*

Traditional prayer of Camino

O God, who brought your servant Abraham out of the land of the Chaldeans, protecting him in his wanderings, who guided the Hebrew people across the desert, we ask that you watch over us, your servants, as we walk in the love of your name.

*Be for us our companion on the walk,
Our guide at the crossroads,
Our breath in our weariness,
Our protection in danger,
Our refuge on the Camino,
Our shade in the heat,
Our light in the darkness,
Our consolation in our discouragements,
And our strength in our intentions.*

So that with your guidance we may arrive safe and sound at the end of the Road and enriched with grace and virtue we return safely to our homes filled with joy.

In the name of Jesus Christ our Lord, Amen.

*St. James the Greater, pray for us.
Holy Mary, pray for us.*

Camino

“Camino” je španjolski izraz koji znači “put” ili “staza”, često povezan s poznatim hodočasničkim rutama u Španjolskoj, posebno s Camino de Santiagom.

Camino de Santiago

Camino de Santiago, poznat kao Put sv. Jakova, mreža je hodočasničkih ruta u Španjolskoj koje se spajaju kod svetišta apostola sv. Jakova Velikog u Santiagu de Composteli. Ovaj povijesni hodočasnički put privlači putnike već više od tisuću godina, nudeći duhovni, kulturni i osobni razvoj. Najpopularnija ruta, Camino Francés, vijuga kroz slikovite krajolike, šarmantna sela i povijesne lokalitete, pružajući raznoliko i obogaćujuće iskustvo hodočasniciima. Pješaci, biciklisti pa čak i neki jahači putuju tim stazama. Pri tom se povezuju s drugim hodočasniciima s kojima dijele priče, iskustva i doživljaje. Hodočašće kulminira u Santiagu de Composteli, gdje hodočasnici dobivaju cijenjenu Compostelu, potvrdu o završetku jedinstvenoga putovanja.

“Camino” is a Spanish term meaning “path” or “way,” often associated with the famous pilgrimage routes in Spain, particularly the Camino de Santiago.

Camino de Santiago

The Camino de Santiago, known as the Way of St. James in English, is a network of pilgrimage routes in Spain that converge at the shrine of the apostle St. James the Great in Santiago de Compostela. This historical pilgrimage has drawn travelers for over a thousand years, offering spiritual, cultural, and personal growth. The most popular route, the Camino Francés, winds through picturesque landscapes, charming villages, and historical sites, providing a diverse and rewarding journey for pilgrims. Walkers, cyclists, and even some equestrians travel the paths, connecting with others and sharing stories. The pilgrimage end in Santiago de Compostela, where pilgrims receive a certificate proving their completion of this journey.

Na primjer, Camino Portugués počinje u Lisabonu, Portugal, a Camino del Norte prati sjevernu obalu Španjolske. Sve staze završavaju na svetištu sv. Jakova u Santiagu de Composteli, zadržavajući temeljnu bit hodočašća. Ovo proširenje učinilo je Camino pristupačnijim i raznolikijim, privlačeći širi spektar hodočasnika i putnika iz cijeloga svijeta.

Stamps are placed in the pilgrim's passport at locations along the route.

turističke zajednice, gradske knjižnice i čitaonice, kafiće, gradske dvorane i druge poslovne objekte. Svaki pečat sadrži lokaciju. Skupljanjem pečata potvrđuje se da je određena dionica prijeđena, a također predstavlja i jedinstven način za označavanje putovanja.

Compostela Certifikat:

Na kraju putovanja, predočenjem hodočasničke putovnice s pečatima, hodočasnik može dobiti Compostelu u Turističkoj zajednici općine Topusko ili u Top Termama Topusko.

These locations include churches, parish offices, tourist boards, libraries and reading rooms, cafes, town halls, and other business establishments. Each stamp indicates the location. Collecting stamps confirms that a specific section of the route has been completed and also serves as a unique way to mark the journey.

Compostela Certificate:

Physical preparation

Physical preparation is an integral aspect of embarking on the Camino journey. Walking long distances over varying terrains demands a certain level of physical fitness and endurance. Prior to beginning the pilgrimage, it is advisable to engage in regular physical exercise to build stamina and strength. This may include a combination of cardiovascular workouts, such as brisk walking, hiking, or cycling, along with strength training to condition muscles.

Fizička priprema

Fizička priprema sastavni je dio Camina. Hodanje dugih udaljenosti preko raznolikog terena zahtijeva određenu razinu tjelesne spremnosti i izdržljivosti. Prije početka hodočašća preporučljivo je redovito se baviti tjelesnom aktivnošću za izdržljivost i snagu. To može uključivati kombinaciju kardiovaskularnih vježbi poput brze šetnje, planinarenja ili vožnje bicikla, zajedno s vježbama snage za jačanje tjelesnih mišića.

Oprema

Preporučuje se nošenje lagane odjeće u više slojeva radi prilagodbe različitim vremenskim uvjetima. Dobro prilagođeni, udoban ruksak s podstavljenim naramenicama i dobrom potporom ključan je za nošenje osnovnih stvari poput vode, grickalica, prve pomoći te lagane vreće za spavanje. Obavezne su čvrste, već razgažene planinarske ili trail cipele koje pružaju dobru potporu i udobnost. Oprema također uključuje šešir, sunčane naočale, kremu za sunčanje i bocu za vodu. Dodatno, štapovi za hodanje mogu pružiti potporu na zahtjevnim terenima. Korisni su i mali ručnik te osnovne toaletne potrepštine, dok pametni

Sturdy, broken-in hiking shoes or trail shoes that provide good support and comfort for long distances are a must. Ja Sam Put

Isus obećava: "Ja sam put i istina i život." Ja sam put uklesan u kamen. Čvrsta staza. Pouzdan put. Put koji se neće srušiti, niti izgubiti, niti nestati. Ostani na mom putu i otkrit ćeš pravu istinu. Laži će nestati. Zbunjenost će nestati. Sumnje će nestati. Ako ostanemo na njegovom putu, dobit ćemo sve što nam treba.

Život je najveća vrijednost i najveća misterija. Mi ljudi, samo s našom ljudskom snagom, nikada to nećemo moći u potpunosti razumjeti. Zato uvijek uz sebe imamo Njega, koji je iznad svih ljudskih znanja i sposobnosti. Život ti je bio dar pa ga mudro iskoristi.

I Am The Way

Jesus promises: „I am the way and the truth and the life.” I am the path carved into the stone. A solid path. A reliable path. A path that will not collapse nor get you lost nor disappear. Stay on my path and you'll discover the real truth. Lies will disappear. Confusion will vanish. Doubts will be lifted. If we stay on his path, we'll get everything we need.

Life is the greatest value and the greatest mystery. Us humans, with our human power only, shall never be able to fully understand it. This is why we always have Him by our side, He who is above all human knowledge and abilities. Life was a gift to you so use it wisely.

Sisak

Grad hrvatskih pobjeda

Sisak spada među najstarija naselja središnje Hrvatske, budući da se tragovi njegove urbane naseljenosti mogu pratiti sve do 4. stoljeća prije Krista. Ipak, već i prije znakova urbanog naselja ovaj su kraj obitavali ljudi, te su prilikom arheoloških istraživanja nađeni prapovijesni ostaci oruđa i kipića idola. U drugoj polovici 20. stoljeća, u Sisku je bila razvijena industrija, obrt i trgovina. Danas je aktivan kulturni centar u kojem se organiziraju različita događanja, festivali i izložbe kojima se slavi bogato kulturno naslijeđe i suvremena umjetnost.

Okolica grada nudi prirodne ljepote sa šetnicama uz rijeke Kupu, Savu i Odru te slikovitim krajolicima.

Kao početna točka Camino Banovine, Sisak ne predstavlja samo početak, već i portal prema istinskom hodočašću koje poziva putnike da istražuju i otkriju skrivena blaga, kulturna dobra i povijesne tajne koje su usko isprepletene unutar bogate hrvatske kulturne baštine.

City of Croatian victories

Sisak is among the oldest settlements in central Croatia, as traces of its urban habitation can be traced back to the 4th century BC. Nevertheless, even before any signs of urban settlement, people inhabited this region, and during archaeological excavations, prehistoric remains of tools and small idol sculptures were found. In the latter half of the 20th century, Sisak saw the development of industry, craftsmanship, and trade. Today, it is an active cultural center where various events, festivals, and art exhibitions are organized to celebrate rich cultural heritage and contemporary art.

The city's surroundings offer rich natural beauty with pathways along the rivers Kupa, Sava, and Odra, alongside picturesque landscapes.

Serving as the starting point of the Camino Banovina, Sisak represents not just a beginning but a portal to a true pilgrimage, inviting travelers to explore and discover many hidden treasures, historical secrets, and cultural wealth tightly interwoven within Croatia's rich cultural heritage.

Ne boj se!

Ponekad u životu ne znamo kamo nas put vodi. Budućnost nam je nejasna. Ne možemo reći koje su naše odluke dobre, a koje loše. Onda se uplašimo. Postavljamo isto pitanje koje je jedan od apostola postavio Isusu prije 2000 godina: „Kako možemo znati put?“ Jer ljudi su uvijek takvi. Traže obećanja i garancije: Neću valjda daleko od doma, u tuđinu, a da ne znam što me tamo čeka?!

Fraza "Ne boj se" ponavlja se 365 puta u Bibliji. Nudi vam hrabrost svaki dan u godini. Ono što ti je pod nogama – to je tvoj put iako ga možda još ne prepoznaješ. Ništa se ne događa slučajno. Bog, Gospodar i gospodar svih staza, pazi na svaki tvoj korak.

Don't Be Afraid!

Sometimes in life we don't know where our path is taking us. Our future is unclear. We can't tell which of our decisions are good and which are bad. Then we get scared. We ask the same question that one of the apostles asked Jesus 2000 years ago: „How can we know the way?“ Because people are always like that. They look for promises and guarantees: Surely, I am not going to walk a long way from my home, to a foreign land, without knowing what's awaiting me there?!

The phrase "Don't be afraid" is repeated 365 times in the Bible. It offers you courage every day of the year. What's under your feet – that is your way even though you may not recognise it yet. Nothing happens by chance. God, the Lord and master of all paths, watches your every step.

Petrinja

Mali grad velikog srca

Smještena na ušću Petrinjčice u Kupu u podnožju Hrastovačke gore. Razvoj i opstanak kroz stoljeća uvjetovan je povoljnim geoprometnim položajem. Naime, grad je smješten na križanju prometnica koje sjeverozapadnu Hrvatsku, pa tako i Zagreb spajaju s Banovinom, odnosno Bosnom i Hercegovinom, a prostor Korduna i Banovine s Posavinom. Ponos Petrinje je njezina duga tradicija kulturnog stvaralaštva, stoljećima stvarana, zabilježena u brojnim publikacijama petrinjskih čuvara povijesti i na platnima likovnih umjetnika. Ime Petrinja vjerojatno dolazi od latinske riječi *petrus* u značenju stijena, kamen, hrid i najvjerojatnije je vezano uz neko od drevnih rimskih naselja na kamenom bogatim područjima Banovine.

Small town with a big heart

Situated at the confluence of the Petrinjčica River and the Kupa River at the foot of Hrastovica Hill, the town's development and survival through the centuries have been influenced by its favorable geographical position. Specifically, the town is positioned at the intersection of roads connecting northwestern Croatia, including the capital - Zagreb, to the Banovina region and Bosnia and Herzegovina, as well as linking the Kordun and Banovina areas to Posavina. Petrinja takes pride in its long tradition of cultural creativity, developed over centuries and documented in many publications by local historians and depicted in the works of visual artists. The name Petrinja likely originates from the Latin word "*petrus*," meaning rock, stone, or cliff, most likely linked to one of the ancient Roman settlements in the stone-rich areas of Banovina.

Glina

Grad hrvatske himne

Grad Glina s pripadajućim naseljima ima oko 7 000 stanovnika. Povijest današnjeg grada započinje u 18. stoljeću kada se gradila utvrda za obranu od Turaka. Godine 1737. u Glini je zasjedao Hrvatski sabor. Kao zapovjednik Prve banske pukovnije u Glini je od 1842. do 1848. boravio Josip Jelačić, a kadet Josip Runjanin uglazbio je 1846. buduću hrvatsku himnu „Lijepa naša domovino“.

U drugoj polovini 18. st. Glina je bila glavno vojno i kulturno središte Banske krajine. U Glini su rođeni veliki hrvatski slikar Zlatko Šulentić i znameniti skladatelj Natko Devčić, karikaturist i likovni kritičar Pjer Križanić, matematičari Đuro i Svetozar Kurepa te kipar Simeon Roksandić, a kao prvi gliński odvjetnik ovdje je pred kraj svoga života boravio i veliki hrvatski književnik Ante Kovačić.

Grad uspješno diljem Hrvatske i Europe promoviraju mažoretkinje „Glinske banice“. Zbog činjenice da je Josip Runjanin u Glini skladao himnu, Glina je poznata i kao „Grad hrvatske himne“.

Town of the Croatian anthem

The town of Glina and its surrounding settlements have around 7,000 inhabitants. The rich history of the present-day town began in the 18th century when a fortress was built for defense against the Turks. In 1737, the Croatian Parliament held a session in Glina. Josip Jelačić, as the commander of the First Ban Regiment, stayed in Glina from 1842 to 1848, and cadet Josip Runjanin composed the future Croatian anthem “Lijepa naša domovino” in 1846.

In the second half of the 18th century, Glina was the main military and cultural center of the Banovina region. Renowned individuals born in Glina include the great Croatian painter Zlatko Šulentić, the composer Natko Devčić, the caricaturist and art critic Pjer Križanić, mathematicians Đuro and Svetozar Kurepa, and sculptor Simeon Roksandić. As the first lawyer in Glina, the great Croatian writer Ante Kovačić spent the last years of his life here. The majorettes “Glinske banice” promote the town across Croatia and Europe.

Due to the fact that Josip Runjanin composed the anthem in Glina, the town is also known as the “Town of the Croatian Anthem”.

Što god pitate

„Što god zaištete u moje ime, učinit ću.“ Ali najprije Mu se morate približiti i ući u Njegov dom i biti Mu blizu. Ne smiješ Mu okrenuti leđa. Ne smijete izabrati drugi način. Ako to učinite, izgubit ćete ono ogromno obećanje koje vam je dao. Što god pitate... što god. Ali u moje ime. Ne u ime zla, ili ljudske ambicije, ili želje za lakšim izlazom, ili pokušaja da se olakša. Za lako nije i ne može biti. Život je borba. Ali što god me pitate... kako god.

Božja prisutnost u ovom svijetu je vidljiva. Njegovi su znakovi posvuda oko nas. Hoćeš li odlučiti da ih ne vidiš? Hoćete li ih odlučiti ne čuti? Ili ćeš svoj život pokloniti Bogu? Tvoj izbor!

Whatever You Ask

“Whatever you ask in my name, I will do it.” But you must first approach Him and enter His home and be close to Him. You must not turn your back on Him. You must not choose any other way. If you do that, you will lose that tremendous promise he made you. Whatever you ask ... whatever. But in my name. Not in the name of evil, or human ambition, or desire for an easy way out, or an attempt to make it easier. For easy it is not and it cannot be. Life is a struggle. But whatever you'll ask me... whatever.

God's presence in this world is visible. His signs are everywhere around us. Will you choose not to see them? Will you choose not to hear them? Or will you gift your life to God? The choice is yours!
